Memoirs of a Not Altogether Shy Pornographer Dec 17 2020 "In this funny and telling portrait of the artist as a young pornographer, Bernard Wolfe chronicles his own unlikely entrance into the world of letters. The year was 1936, and Depression laden America had no great need for a Yale Phi Bete whose primary talent was for words. After working variously as a secretary-bodyguard for Leon Trotsky in Mexico, a cataloger of the Irving Fisher papers, and a hopelessly inept drill-grinder, Wolfe landed his first professional writing job: turning out piecework porn at \$2.00 a page for an Oklahoma millionaire. He credited his pornographic efforts with teaching him to write to specified lengths while facing deadlines: 'I acquired the work discipline of a professional writer, capable of a solid daily output.'"--Book jacket.

Autopornography Oct 07 2022 In this provocative book, retired porn star Scott O'Hara (known as "Spunk" by many of his fans from an early punk photospread) gives a backstage look at the world of pornography, revealing why he loved it, what he got out of it, and why he left it. In an autobiographical style, he considers and poses answers to some fascinating questions: What is sex? What makes a porn star? And why does pornography really upset people? You'll really get to know this noted gay porn star as you get a firsthand look at his life experiences and sexual journeys from his boyhood days of locker room fantasies and sexual experimentation to his years as a porn star and then to his experiences as an individual facing the realities of being HIV-positive. As O'Hara puts it in his Introduction: "This book was written as a last-ditch effort: a way to open up all my closets, let you in on all the dark corners of my life, and give you a better picture of what goes into the making of a porn star. Because if there's one profession that arouses people's curiosity, it's that one." As you read through the pages of Autopornography, you'll see how O'Hara's personality reflects his sexuality, that is, how they have melded into one. His vivid descriptions of personal relationships (with family, friends, lovers, and casual acquaintances) and his many sexual encounters as he traveled the world reveal his love of sex and his desire to live without inhibitions, secrets, or sexual constraints. Reading Autopornography may cause you to reexamine your own sexual boundaries, realize new sexual potential, and discover sexual desires not previously aroused. Porn Again Sep 06 2022 In *PORN AGAIN: A MEMOIR*, Josh Sabarra throws open the proverbial closet -- and bedroom -- doors, taking readers on a Hollywood thrill-ride through growing up, coming out, coming of age and finally finding himself at 40. Despite being a high-level entertainment executive, Josh was still a virgin at 31. Uncomfortable in his own skin, haunted by painful childhood memories, he kept laser-focused on building an unparalleled career trajectory at the expense of his personal life. Tormented by schoolmates for being "different," Josh clung to his aberrantly close relationships with a small circle of adult females. But, even with that support, the shame and contempt that grew from his sexuality locked him in a prison of self-hate that robbed him of an emotional and sexual identity for more than three decades. Movie studio jobs, through which he met celebrity idols, led to friendships and relationships with some of the industry's most notable characters. Those intimacies created a false sense of acceptance and approval, requiring that he continue to up the stakes - celebrity lovers, the crazy world of online dating, sexual fetishists and porn stars-for-hire. The gay best friend you always wanted, Josh Sabarra delivers a whip-smart, poignant memoir set against a glittering backdrop that is at once heartbreaking, glamorous, sexy and hilariously honest. ABOUT THE AUTHOR: Josh Sabarra is a veteran marketing executive and television producer who has held positions at The Walt Disney Company, Warner Bros. Studios, Miramax Films, New Line Cinema and Lifetime Networks. He resides in Los Angeles, California, where he is the president and CEO of his own public relations firm, Breaking News PR. This is his first book."

The Traveling Years Oct 15 2020 Leo Eaton is today a respected American documentary filmmaker. *THE TRAVELING YEARS, A MEMOIR OF PUPPETS, PORNO & PENURY* follows his adventures for 16 years prior to settling in America, during which time he traveled the world as (in chronological order) one of the youngest television directors in Britain, a tequila-soaked lotus eater in Mexico, a boat builder in Canada, a pornographer in Los Angeles, an aspiring novelist back in Mexico, a university instructor in Texas, and a plumber and starving writer in Greece and Portugal. After escaping from a childhood spent in English boarding schools, Leo joined the British film industry at eighteen on Roger Moore's *The Saint* and within five years was directing iconic 1960s puppet series' produced by Gerry Anderson, including *âCaptain Scarlet & the Mysterons'*, *âJoe 90'* and *âThe Secret Service'*. After a

passionate but disastrous love affair with a Hollywood starlet, he sailed by cargo ship to Mexico where he lived until his money ran out, hitchhiked to Canada where he worked as a boat builder and railroad baggage handler before taking to the road again and hitchhiking to Los Angeles where he wrote for a Mafia-run pornography publishing house and shared an office with cult filmmaker Ed Wood Jr. (played by Johnny Depp in Tim Burton's biopic of the same name). Returning to Mexico as an aspiring novelist and promptly falling in love, Leo followed his future wife Jeri back to the University of Texas in Austin where he persuaded them to take him on as an instructor, teaching script writing and film to the same graduate students who made 'Texas Chainsaw Massacre'. After two years the University discovered he had no degree so Leo and his wife returned briefly to England before settling in a small Cretan village as the only foreigners. For three years they were part of the village, making their own wine and raki (the fiery local spirit) and helping fellow villagers with everyday tasks like dynamiting septic tanks and shearing sheep. Only when tourism began to intrude on the village did Leo and Jeri, along with their two Cretan dogs, move on to a mountainside in Portugal where they lived through a bitter winter in an old peasant farmhouse with dirt floors and no bathroom, power, running water or glass in the windows. It was the final chapter in the *Traveling Years* before the desire to return to some semblance of comfort brought Leo and his wife back to America, where he has been making award-winning documentary films ever since.

We Did Porn Jan 18 2021 Blending memoir with Smith's own drawings and paintings, *We Did Porn* will do for alt porn what Hunter S. Thompson did for motorcycle gangs and Tom Wolfe for psychedelica. Blending memoir with Smith's own drawings and paintings, *We Did Porn* will do for alt porn what Hunter S. Thompson did for motorcycle gangs and Tom Wolfe for psychedelica. Punk artist and icon Zak Smith made a name for himself by visually interpreting Thomas Pynchon's *Gravity's Rainbow* and drawing pictures of girls in the "naked girl business." His artistic pedigree and acute observation landed him in high-profile shows from the Whitney to the San Francisco Museum of Modern Art. Somewhere along the line, Smith went from the observer to the observed, from the guy in the corner with a sketchpad to the guy on-screen doing the unnamable for anyone eighteen or older to see. *We Did Porn* follows Zak Smith (or Zak Sabbath) from the New York art scene to Los Angeles's seedy, yet colorful, underbelly—the world of alt porn. Smith narrates his own foray into pornography and gives his readers a new understanding of the industry, its players, and its audience.

How to Make Love Like a Porn Star Sep 25 2021 *How to Make Love Like a Porn Star*, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

Bought with a Price Dec 29 2021 While doing gay porn, love was a foreign concept to Aaron, but after hearing the words, "Jesus loves you," he questioned everything. The porn industry promised to empower him, but Aaron wondered if he was actually being degraded and exploited. After seeking refuge in the Church, he found that many Christians do not include gay people, like himself, in their worship. Even if they did, many churches didn't have clear teachings on sexual morality, which left Aaron's past vulnerable to exploitation. While wrestling with his past and new faith, Aaron not only finds the strength to overcome trauma through God's power, but he also finds meaningful, romantic love. He now wields his testimony as a weapon against the enemy who once held him in bondage. This bold memoir offers a raw perspective on God's grace to enable all believers to walk in the victory to which they have been called.

Escritos discentes em literaturas de língua inglesa Aug 25 2021 As professoras Leila Assumpção Harris e Maria Aparecida

Andrade Salgueiro estão mais uma vez à frente de uma das iniciativas mais bem sucedidas destes 30 anos de existência do Programa de Pós-graduação em Letras stricto sensu da Universidade do Estado do Rio de Janeiro: a coleção Escritos discentes em literaturas de língua inglesa. Chegando agora ao seu décimo volume, a coleção consolidou-se, definitivamente, como um meio privilegiado de divulgação das pesquisas realizadas pelos mestrandos e doutorandos da especialidade de Literaturas de Língua Inglesa, cuja pujança é atestada tanto pela qualidade quanto pela diversidade dos temas recobertos pelos trabalhos aqui reunidos. A história da série teve início com uma exitosa atividade acadêmica, cultivada por anos pela especialidade, a dos seminários internos, em que os alunos apresentavam o andamento de seus estudos e eram beneficiados pelos comentários, críticas e sugestões de professores e colegas. Também sucedida foi a prática dos simpósios que ultrapassou os limites da especialidade, e permanece viva, hoje, nos Seminários anuais dos alunos, no âmbito geral do PPG-Letras. Na condição de coordenador atual do Programa, não posso deixar ainda de saudar a publicação de mais um volume da série, uma vez que ela contempla um dos quesitos de avaliação mais valorizados pela CAPES – a produção bibliográfica de mestrandos e doutorandos. Louva-se, nesse sentido, não apenas a publicação do livro em si, mas seu processo de elaboração: os capítulos, supervisionados pelos orientadores, valem também como um precioso exercício de escrita de futuros artigos, destinados aos veículos especializados da área. Resta-nos, pois, apenas desejar uma longa vida à série Escritos discentes em Literaturas de Língua Inglesa. Júlio França Coordenador Geral Pós-Graduação em Letras da Uerj

Once upon a time she was a gangly, teenaged bookworm named Linda Ann Hopkins, obsessed with serial killers and Marilyn Monroe and determined to make men all over the world one day desire her. And she succeeded: Today she sits atop the porn world and runs her own multimillion-dollar empire. *Sinner Takes All* is a sexy and deeply personal memoir in which Tera bares all about baring all. Tera discusses leaving home as a teen to work as an international fashion model, losing her virginity at age fourteen to a man twice her age, working as a nurse at a senior citizen's home, her on- and off-screen sexual escapades, and the emotional obstacles that she's had to overcome, including a strained relationship with her mother, deadbeat boyfriends, and a suicide attempt that led to a stint in a locked-down psych ward. An honest and naked look at a one-of-a-kind life, *Sinner Takes All* is a riveting memoir of the making of a modern sex goddess.

Blue has worked with every major star in the industry and won many major awards and honors, including induction into the Gay Porn Legend Hall of Fame.

High Holiday Porn Nov 27 2021 Eytan Bayme went to Jewish day school and Jewish camp. He lived across the street from a synagogue in the Bronx, which he attended weekly, and kept kosher for most of his childhood. Yet even at the age of six, he wanted to know what the deal was with those Pizza Huts and Burger Kings that he wasn't allowed in. God wouldn't put them on Earth if He didn't mean for us to try them, he thought. Wasn't that obvious? Also why can't he stop thinking about girls in bed, late at night, with his little brother five feet away? And how come the starting lineup for the 1986 Mets keeps creeping into those fantasies? *High Holiday Porn* is the story of an Orthodox Jewish boy in the Bronx who discovers masturbation during Passover dinner, gets caught with porn on Yom Kippur, and finally figures out that the way into a girl's pants is through her heart. It's a hilarious and heartwarming memoir that will resonate with anyone who ever felt awkward growing up.

Memoirs of a Strange Little Girl Nov 15 2020 My mother name me after Bob Dylan's Sara, his song of loss and bittersweet memory. The song could have set the tune for my life, with cries of Gypsy violin and harmonica. Instead it gave me solace, a sad music place where I felt at home. I wrote my memoirs after my real dad died. His death marked the end of the saddest era of my life. I was born to a teenaged drug addict and raised by a sadistic young man who I called "Dad," but he wasn't my dad. He was a bogey man.

Waar hangt mijn penis uit Mar 08 2020 Waarom hangen testikels zoals ze doen? Heeft het vrouwelijk orgasme een adaptieve functie? Hoe voelt het om zelfmoord te willen plegen? Bestaat "vrije wil" ook werkelijk? En waarom heeft een penis zijn kenmerkende vorm eigenlijk? In *Waar hangt mijn penis uit?* heeft onderzoekspsycholoog en bekroond columnist Jesse Bering twee nieuwe essays en ruim dertig van zijn meest populaire stukken uit *Scientific American* en *Slate* gebundeld. Hij voert de lezers mee op een gedurfde en boeiende leestocht waarbij hij de taboes die er nog zijn op het vlak van de evolutie en menselijk gedrag niet uit de weg gaat. Zoals het uitzoeken van de geschiedenis van kannibalisme, de neurologie van de mensen die seksueel worden aangetrokken tot dieren, de evolutie van menselijke lichaamsvloeistoffen, de wetenschap van homoseksualiteit en serieuze vragen over leven en dood. Bering's scherpzinnig werk biedt ons een uitgestrekte kaleidoscoop van onze eigenaardigheden en herkomst. Met de voor hem karakteristieke oneerbiedigheid en brutaliteit, laat Bering geen onderwerp onbesproken. Of u nu geïnteresseerd bent in de

psychologische geschiedenis achter de vele facetten van seksueel verlangen of in de evolutionaire patronen die onze huidige mystiek en fallische lichaamsbouw dicteren. Waar hangt mijn penis uit? zal de komende jaren een gefundeerde bijdrage leveren aan de levendige discussie en debat rond deze onderwerpen.

Sex, Sexuality, Law, and (In)justice Jun 22 2021 Sex, Sexuality, Law, and (In)Justice covers a wide range of legal issues associated with sexuality, gender, reproduction, and identity. These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand. The book synthesizes the literature across a wide breadth of perspectives, exposing students to law, psychology, criminal justice, sociology, philosophy, history, and, where relevant, biology, to critically examine the social control of sex, gender, and sexuality across history. Specific federal and state case law and statutes are integrated throughout the book, but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law. This book will be useful in teaching courses in a range of disciplines—especially criminology and criminal justice, history, political science, sociology, women and gender studies, and law.

The Aesthetics of Degradation Mar 20 2021 Pornography keeps getting more extreme. Manufacturers, defenders and consumers of porn rely on a mix of wilful ignorance and bad faith to avoid serious discussion. When we do talk about violence against women in the porn world, the debate all too often becomes technical, complicated by legalities and outrage. But what are the moral and psychological consequences of the mercantilization of abuse? In this studied and ruthless examination of the place of pornography in contemporary life, translator and critic Adrian Nathan West treads dangerous literary and social ground, transcending clichés about free expression and the demands of the market to look at the moral discomfort of violent pornography from the perspective of the viewer. Collapsing distinctions between novel, memoir, and essay, this book will not make for light reading. But at its core is an extraordinarily brave and honest concern for the women and men who have been hurt in the name of sexual gratification.

Girls, Autobiography, Media Jul 24 2021 This book investigates how girls' automedial selves are constituted and consumed as literary or media products in a digital landscape dominated by intimate, though quite public, modes of self-disclosure and pervaded by broader practices of self-branding. In thinking about how girlhood as a potentially vulnerable subject position circulates as a commodity, *Girls, Autobiography, Media* argues that by using digital technologies to write themselves into culture, girls and young women are staking a claim on public space and asserting the right to create and distribute their own representations of girlhood. Their texts—in the form of blogs, vlogs, photo-sharing platforms, online diaries and fangirl identities—show how they navigate the sometimes hostile conditions of online spaces in order to become narrators of their own lives and stories. By examining case studies across different digital forms of self-presentation by girls and young women, this book considers how mediation and autobiographical practices are deeply interlinked, and it highlights the significant contribution girls and young women have made to contemporary digital forms of life narrative.

Celebrity Memoir Apr 20 2021 In this timely analysis of the economics of access that surround contemporary female celebrity, Hannah Yelin reveals a culture that requires women to be constantly 'baring all' in physical exposure and psychic confessions. As famous women tell their story, in their 'own words', constellations of ghostwriters, intermediaries and market forces undermine assertions of authorship and access to the 'real' woman behind the public image. Yelin's account of the presence of the ghostwriter offers a fascinating microcosm of the wider celebrity machine, with insights pertinent to all celebrity mediation. Yelin surveys life-writing genres including fiction, photo-diary, comic-strip, and art anthology, as well as more 'traditional' autobiographical forms; covering a wide range of media platforms and celebrity contexts including reality TV, YouTube, pop stardom, and porn/glamour modelling. Despite this diversity, Yelin reveals seemingly inescapable conventions, as well as spaces for resistance. *Celebrity Memoir: from Ghostwriting to Gender Politics* offers new insights on the curtailment of women's voices, with ramifications for literary studies of memoir, feminist media studies, celebrity studies, and work on the politics of production in the creative industries.

Het voyeursmotel Feb 16 2021 Op 7 januari 1980 ontvangt Gay Talese een anonieme brief van een man uit Colorado, beginnend met de woorden: 'Ik heb het idee dat ik belangrijke informatie heb die bij zou kunnen dragen aan een toekomstig boek.' De man - vader van twee kinderen - vertelt dat hij vijftien jaar eerder een motel heeft gekocht, met als enige reden zijn voyeuristische verlangens te stillen. Samen met zijn vrouw installeerde hij boven elke kamer een rooster, vanwaar hij al die jaren zijn gasten bespioneerde. Talese besluit hem op te zoeken; de voyeur stelt zich voor als Gerald Foos. Aangezien Foos anoniem wenst te blijven ondertekent Talese een geheimhoudingsovereenkomst, en doet 36 jaar lang niets met deze hoogst controversiële informatie. Begin 2013 vindt Foos het tijd om met zijn verhaal naar buiten te treden. Op 11 april 2016 verschijnt de longread *The Voyeur's Motel* in *The New Yorker*; een storm van controverse volgt. Waarom heeft Talese Gerald Foos al die jaren zijn gang laten gaan? En vooral: waarom is Talese nooit naar de politie gestapt?

Hindsight Jun 10 2020 HINDSIGHT is one man's remarkably revealing story about sex and relationships, on the silver screen and in his private life. Howie Gordon (screen name Richard Pacheco) was an award-winning actor during The Golden Age of Porn, whose memoir does not duck the question, "What about love?" With charm, passion, wit, and what may best be described as a crude elegance, Gordon's story takes us back to the fabled Baby Boomer era, when erotic films took a dramatic step closer to mainstream entertainment in America. His memoir recounts scenes with Marilyn Chambers, Georgina Spelvin, Seka, Annette Haven, Kay Parker and many others. This was the heyday of John Holmes, John Leslie, Jamie Gillis and Anthony Spinelli, and they are all characters in what may prove to be the finest inside story to ever come out of the fascinating world of Adult Film during its Golden Age. Ultimately, HINDSIGHT is a surprising love story: here in a triumph over incredible odds, is an unlikely victory for true love, common sense, and the American way. Full of pictures and high spirits - this memoir is a great read, whether you know the world of porn, or are just a curious reader. "It was the time of storytelling with an X Rating, and there's no one better to tell this story than my friend Howie Gordon." - Whoopi Goldberg "Howie Gordon writes about life as a porn star with more honesty, integrity and humor than any other porn star, ever! You will laugh, cry, and fall in love. I hope his book gets made into a movie, because it will be a one-of-a-kind blockbuster." - Annie Sprinkle, Ph.D. Post Porn Modernist "Mark Twain meets Don Juan-a delectable fusion of brains and balls!" - Dr. Marianna Beck, Ph.D. *The Material Culture of Sex*

The Pornographer's Daughter Jun 03 2022 More than forty years after Deep Throat arrived on the cultural scene and inspired a sexual revolution, questions about the ethics of pornography and its impact on society are still being asked today and remain as controversial as ever. Kristin Battista-Fraee was only four years old in 1974 when her father, Anthony Battista, was indicted by the federal government for distributing the now famous porn film Deep Throat. As her father unexpectedly became an early pioneer in the emerging porn industry and transformed himself from Philadelphia stockbroker to porn broker, this indictment threatened his family's stability. The stress drove Kristin's mother, Frances Battista, to worry endlessly if her husband would be put in jail. She became so depressed that she attempted suicide. Kristin survived this family trauma to live a surprisingly normal life. But instead of leaving the past behind her, she developed a burning curiosity to understand her family's history. Why did the federal government so vehemently prosecute this case? And why did her father get involved in distributing this notorious porn film in the first place? Did the influence of pornography in fact make Kristin a better person? Answering these questions and reconciling her dramatic family history with her life as a wife and mother became her mission. *The Pornographer's Daughter* is an insider's glimpse into the events that made Deep Throat and pornography so popular, as well as what it was like to come of age against the backdrop of the pornography business.

Memoir of a Writing Porn Star Feb 28 2022 This novel is a satirical look at my life and I have never written for a porn site. There are four parts to this 160-page book, which are *The Rehearsal* (trying to figure out my life and men), *The Performance* (a story in two perspectives about a transgender guy being interviewed), *The Reviews*, and *Pornography* (amusing selection of commentary and reviews of media products). I write just a little soft porn for humor, but mostly it's about why my satirical "drag queen" narrator started writing erotica. People who enjoy satire aimed at men/women relationships, conventional people, and the porn industry may love this novel. It's for adults and young adults. I selected reviews written in the past when I was paid to review books, movies, and music on epinions.com for 14 years. Some examples of reviews are *Lady Chatterley's Lover*, *Flesh and the Devil*, *Zombie Strippers*, *Anais Nin's Henry and June*, and *American Gigolo*. I end with a more serious Epilogue and Author's Last Words to help readers understand the real discrimination faced by nonconforming people.
