*Children's Past Lives* Jun 29 2022 Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children. Not only are such experiences real, they are far more common than most people realize. Bowman's

extraordinary investigation was sparked when her young son, Chase, described his own past-life death on a Civil War battlefield--an account so accurate it was authenticated by an expert historian. Even more astonishing, Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory. Inspired by Chase's dramatic healing, Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives, spontaneously and naturally. In *Children's Past Lives*, she tells how to distinguish between a true past life memory and a fantasy, offers practical advice to parents on how to respond to a past life memory, and shows how to foster the spiritual and healing benefits of these experiences. Perhaps the most moving, convincing, and best-documented evidence yet for life after death, *Children's Past Lives* will stand alongside the classics of Betty J. Eadie, Raymond Moody, and Brian Weiss in its power

to comfort, uplift, and transform our thinking about life after death

*Past-Life and Karmic Tarot* Jan 25 2022 Unique tarot book that explores past-lives and karma.

*The Street Life Series: Is It Rags or Riches?*

Aug 20 2021 "When you read the Washington D.C. tabloids, you might surmise that Teco Jackson was slain by a delusional killer, The Paradox. However, Federal Agents are not convinced. A crime spree in Atlanta, Georgia is strikingly similar to that of the Washington, D.C. G-String murders. Atlanta Detective Paul Yeomans tries to keep the south's ""Phoenix City"" safe but is forced to seek help from Washington, D.C.'s quick-witted and statuesque Detective Hanae Troop. Never realizing, until it's too late, the multi-jurisdiction operation is eventually forced into a propitious government mission with international appeal. Atlanta resident Gail Indigo Que (GQ), a former Strictly Business (SB) drug crew member, attempts to achieve legitimate riches by virtue of rags with

her signature clothing line. However, The Paradox feels double-crossed and elevates his deadly game to a new level by trying to sabotage GQ's fashion career and draw her back into the streets. All in the name of lady justice, The Paradox has spread his vigilantly game across the entire metro-Atlanta area. Several weeks after investigating the case, the multi-jurisdiction law enforcement team solicits the assistance of an unlikely bodyguard to take GQ into protective custody. Regardless, GQ is determined to succeed in fashion despite the odds. Leaving the street life, is it rags or riches? Book Review: Library Journal - The Word on Street Lit (November 19, 2009) The Paradox, a psychotic killer who leaves G-strings on his victims' bodies, returns in the latest in Weeks's self-published, award-winning "Street Life" series (after *Is It Suicide or Murder?* and *Is It Passion or Revenge?*). The murderer has moved from DC to Atlanta and is executing members of the Pennsylvania SB (Strictly Business) crew. He sets his sights on GQ (Gail Que), who is living the rags or riches challenge to make it big in the fashion industry. Hot on The Paradox's trail is Hanae Troop, a DC cop determined to bring him down. Troop's lover, Teco Jackson, is a former member of SB and will fight to the death for her man. Verdict: Weeks's combination of mystery and police procedural will draw in readers as he shows the cops' point of view. The long list of characters and plot tangents may be confusing, but bloody executions and a wild, climatic shoot-out will

hold interest. Think of CBS's 48 Hours Mystery set to a street lit riff. [At the African American Pavilion at BookExpo 2009, Weeks's books won the Urban Series of the Year Award.—Ed.] "**Wisdom Wide and Deep** Oct 29 2019 "If you are interested in Dharma study, this book belongs in your library."---Phillip Moffitt, author of *Dancing with Life* "This book can be the guide for cultivating the inner calm we long for."---Christina Feldman, author of *Compassion: Listening to the Cries of the World* "This handbook respects both the ancient tradition and the needs of contemporary lay practitioners, without compromising either. Shaila Catherine blends scriptural references, personal examples, and timeless stories with detailed meditation instructions. The combination of pragmatic style and theoretical knowledge produces a striking invitation for the reader to apply these instructions and master the complete practice for awakening."---from the foreword by Pa-Auk Sayadaw, author of *The Workings of Kamma* "Catherine has managed a difficult feat---to be simultaneously encyclopedic and charming, all with extraordinary clarity. This meditation manual is a first for the West and will surely become a classic and a support for generations of practitioners."---Kate Wheeler, editor of *In This Very Life: Liberation Teachings of the Buddha* "**Wisdom Wide and Deep** is a powerful inspiration both for those who would like a glimpse of what's possible and for those intrepid explorers of the mind who want to

bring these teachings to fulfillment. Highly recommended."---Joseph Goldstein, author of *A Heart Full of Peace* "Written in clear, practical language, this book converts theory into direct experience. It is a detailed exploration of deep calmness as well as insight. The West needs such manuals."---Christopher Titmuss, author of *Light on Enlightenment* "A valuable work as both a practice guide and a reference manual."---Guy Armstrong, insight meditation teacher *It Is Not a Dream to Change Your Past* Apr 03 2020 If you only had three wishes that you think can change your current life dramatically, what would they be? [Five Lives Remembered](#) Jun 25 2019 THE BEGINNING What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing "normal" to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnoterapist and regressionist. Travel back with us to that time when the words "reincarnation, past-lives, regression, walk-ins, New Age" were unknown to the general population. This is the story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the

same. Dolores Cannon is now a world-renowned hypnoterapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, "How did you get started on all of this?" This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure!

*LOVE BIBLE SERIES 1: LIFE CONTRACT (Vol. 1)* May 17 2021 Believe the cosmic rule that no one is sent by God to you without a reason. Why on earth it is he or she who met me and turn my life upside down? Why the one in trillion chances rested on him or her to give me such a shocking wave of love/life lesson? ..... The reason why we have the sixth sense intuition as human beings are because our souls had read the script of our current life before incarnation took place. We just forgot all the details. It is not unusual that we get strong premonitions before major life events happen. It is also not surprising when we feel hidden turns always lurking somewhere without any logic facilitation. .... If we feel needy to this world, then we owe the world something. If we feel needy to someone, then we owe this person something. The needy tendency is an inborn thing, the so-called "Love at First Sight". Or it could be acquired, the so-called "Emotional

Entanglement". Being Needy shows what we owe the outside because it keeps draining energy from us not what the outside owes us Mankind is often confused between the two. To learn more, just look into LIFE CONTRACT and give me your feedback, the 2nd series will be coming up soon.

*That's Just Your Interpretation* May 05 2020 In our relativistic society, Christians more than ever are bombarded by tough questions about their faith. Author Paul Copan has observed that many of these questions emerge as "anti-truth claims" that are part of today's skeptical mind-set. Christians defending their faith often hear slogans and questions such as: Ź It's all relative Ź Everything is one with the Divine; all else is illusion Ź The Gospels contradict each other Ź Why would a good God create hell? This

book provides incisive answers to slogans related to truth and reality; theism, pantheism/Eastern religion, and naturalism; and doctrinal issues such as the incarnation and truth of Scripture. Each of the twenty-two chapters provides succinct answers and summary points for countering the arguments. Copan's book is accessible for all Christians who want to defend the plausibility of Christianity in the marketplace of ideas. It also includes helpful summary sections, additional resources, and additional documentation in the endnotes for review and discussion.

**Past Life Dreamwork** Oct 02 2022 The first book to approach reincarnation from the perspective of dreams • Identifies soul bloodlines, the key to past life therapies • Combines the author's own experiences with case studies and dreamwork with empirical research • Reveals how the analyst and client are often karmically linked In *Past Life Dreamwork*, Sabine Lucas examines "soul bloodlines"--character traits, talents, and life issues that are the common elements and circumstances of successive past lives. Found threaded through our dreams, these bloodlines reveal the forces manifesting in this life, and, taken together, they shape individuality as well as destiny within the reincarnation cycle. Though a wealth of past life related material regularly surfaces in dreams, until now dreamwork has been largely ignored as a therapy for successfully integrating past life experiences. Using the results of 27 years of personal and professional work, Lucas explains that past life memories help us work out karma on the macro level and trauma on a micro level.

She distinguishes three types of past life dreams--classic, inforamatory, and hybrid--and demonstrates how to distinguish these from other dreams. Her dramatic case studies illustrate the effectiveness of dream therapy in recognizing and integrating the resonant and recurrent circumstances and ethical dilemmas that are played out in the subconscious mind. These psychologically revealing stories bear witness to how individuals are made whole through the integration of common strands of forgotten or repressed past lives. Lucas shows that the integration of past lives enriches the conscious self and also promotes universal tolerance through an understanding of the patterns of our psychic soul inheritance.
