**The Incurrigible Children of Ashton Place: Book II** Sep 01 2022 The second book in the Incurrigible Children of Ashton Place—the acclaimed and hilarious Victorian mystery series by Maryrose Wood, perfect for fans of Lemony Snicket and Trenton Lee Stewart—has a brand-new look. Thanks to their plucky governess, Miss Penelope Lumley, Alexander, Beowulf, and Cassiopeia are much more like children than wolf cubs now. They are accustomed to wearing clothes. They hardly ever howl at the moon. And for the most part, they resist the urge to chase squirrels up trees. Yet the Incurrigibles are not entirely civilized, and still managed to ruin Lady Constance's Christmas ball, nearly destroying the grand house. So while Ashton Place is being restored, Penelope, the Ashtons, and the children take up residence in London. As they explore the city, Penelope and the Incurrigibles discover more about themselves as clues about the children's—and Penelope's own—mysterious past crop up in the most unexpected ways....

**Ashton's Secret** Jun 05 2020 From the moment he'd caught her snooping on his property, Meghan Edwards knew Nicholas Hawkinson was the man she'd been looking for. But would this dark, secretive stranger help her solve the mystery of her sister's death? Nicholas Hawkinson wanted nothing to do with the city-girl photographer who asked too many questions. Five years ago the people of Ashton had been all too quick to accuse him of murder. They still considered him the town's black sheep, a bad boy at best and a killer who got away with it at most. The smartest thing for both of them would be to never mention Heather again. Her sister was dead, and Meghan knew it wasn't suicide. So did Nick. Whether he liked it or not, Ashton's most dangerous man was the only one who could help her now. And Meghan wasn't leaving until she'd unraveled this sleepy little town's secret--or died trying.

*The Oxford Handbook of Lexicography* Oct 29 2019 This volume provides concise, authoritative accounts of the approaches and methodologies of modern lexicography and of the aims and qualities of its end products. Leading scholars and professional lexicographers, from all over the world and representing all the main traditions and perspectives, assess the state of the art in every aspect of research and practice. The book is divided into four parts, reflecting the main types of lexicography. Part I looks at synchronic dictionaries - those for the general public, monolingual dictionaries for second-language learners, and bilingual dictionaries. Part II and III are devoted to the distinctive methodologies and concerns of the historical dictionaries and specialist dictionaries

respectively, while chapters in Part IV examine specific topics such as description and prescription; the representation of pronunciation; and the practicalities of dictionary production. The book ends with a chronology of the major events in the history of lexicography. It will be a valuable resource for students, scholars, and practitioners in the field.

**The Incurrigible Children of Ashton Place: Book I** Nov 03 2022 The first book in the Incurrigible Children of Ashton Place—the acclaimed and hilarious Victorian mystery series by Maryrose Wood, perfect for fans of Lemony Snicket and Trenton Lee Stewart—has a brand-new look. Discovered in the forest of Ashton Place, the Incurrigibles are no ordinary children. Luckily, Miss Penelope Lumley is no ordinary governess. A recent graduate of the Swanburne Academy for Poor Bright Females, Penelope embraces the challenge of her new position. Though she is eager to instruct the children in Latin verbs and the proper use of globes, first she must eliminate their canine tendencies. But mysteries abound at Ashton Place: Who are these three wild creatures? Why does Old Timothy, the coachman, lurk around every corner? Will Penelope be able to civilize the Incurrigibles in time for Lady Constance's holiday ball? And what on earth is a schottische?

**Atmosphere/Atmospheres** Sep 08 2020 What is an "Atmosphere"? As part of the book series "Atmospheric Spaces", this volume analyses a new phenomenological and aesthetic paradigm based on the notion of the "Atmosphere", conceived as a feeling spread out into the external space rather than as a private mood. The idea of "Atmosphere" is here explored from different perspectives and disciplines, in the context of a full valorization of the so-called "affective turn" in Humanities.

Incorrigible Children of Ashton Place, the acclaimed and hilarious Victorian mystery series by Maryrose Wood. Unhappy Penelope Lumley is trapped in unhappy Plinkst! Even the beets for which Plinkst is inexplicably famous fail to grow in this utterly miserable Russian village. Penelope anxiously counts the days and wonders how she will ever get back to England in time to save all the Ashtons—who, she now knows, include herself and the Incorrigible children, although their precise location on the family tree is still a mystery—from their accursed fate. Her daring scheme to escape sends her on a wildly unexpected journey. But time is running out, and the not-really-dead Edward Ashton is still on the loose. His mad obsession with the wolfish curse on the Ashtons puts Penelope and the Incorrigibles in dire peril. As Penelope fights her way back to her beloved pupils, the three brave Incorrigibles endure their gloomy new tutor and worriedly prepare for the arrival of Lady Constance's baby. Little do they know the danger they're in! In this action-packed conclusion to the acclaimed series, mysteries are solved and long-lost answers are found. Only one question remains: Will Penelope and the Incorrigibles find a way to undo the family curse in time, or will the next full moon be their last?

*Ashton's Dancing Dreams* Jul 19 2021 From the family that brought you the Lena in the Spotlight series and the popular For Girls Like You magazine comes Ashton's Dancing Dreams, book two in the Daniels Sisters series. This realistic fiction story of family, friendship, and the challenges that so many young girls face each day growing up will appeal to girls 8-12 looking to express their talents and individuality alongside their faith. In this fun, relatable, and inspiring story, Ashton "Cammie" Daniels is in love with dancing. There's nothing she loves better than attending dance class with her two new friends, Rani and June. But that joy is in jeopardy when Rani's father announces they may be moving to London. Ashton comes up with what she and her friends think is a foolproof plan to keep Rani with them. But her dreams begin to fall apart when the group can't agree on music, costumes, choreography, or even whether they should all stay friends! Ashton's Dancing Dreams: Features diverse characters Is an engaging read for girls ages 8-12 Is an addition to the Faithgirlz brand Is a perfect birthday gift from parents and grandparents to tween girls, and is great for Spring Break and summer vacation reading Is written by girls for girls If you enjoy Ashton's Dancing Dreams, check out books one and three of the Daniels Sisters series of middle grade fiction: Ansley's Big Bake Off Amber's Song  
*Ashton's Bride* Aug 20 2021 Margaret Garnett, too tall, too smart, and much too much a Northerner, felt as if she were being watched from the moment she arrived to teach at Tennessee's Magnolia University. The feeling became a shivery chill when she moved into Rebel's Retreat, the historic cottage built by Confederate General Ashton Johnson. But the shock of seeing the general's portrait and recognizing him as the man of her most passionate fantasies left her with an eerie certainty -- that somehow his ghost was actually there. Soon Margaret was reading old letters and devouring every fact on the dashing Ashton, his engagement to a fickle beauty who may have been a spy, his death at the hands of a Union sharpshooter. But nothing prepared Margaret for the fever, the dizziness, and the shock of waking up in a vanished era -- in Ash's arms. Suddenly alive in a South of scorched earth and tears, she knew this was where she had always belonged...where she had been sent to alter the course of war itself, to embrace a destiny time could not stop and a love death could not deny....

**The Incorrigible Children of Ashton Place: Book IV** Jun 29 2022 The fourth book in the Incorrigible Children of Ashton Place—the acclaimed

and hilarious Victorian mystery series by Maryrose Wood, perfect for fans of Lemony Snicket and Trenton Lee Stewart—has a brand-new look. Turning sixteen is a bittersweet occasion for Miss Penelope Lumley. Luckily, an invitation to speak at the annual Celebrate Alumnae Knowledge Exposition (or CAKE) at the Swanburne Academy for Poor Bright Females provides just the diversion Penelope needs.

Optoomuchstic as ever, Penelope hopes to give her CAKE talk, see some old friends, and show off the Incorrigible children to Miss Mortimer, but instead she finds her beloved school in an uproar. And when Penelope is asked by the Swanburne Academy board of trustees to demonstrate the academic progress of her three wolfish students so they can judge the true worth of a Swanburne education, the future of her alma mater—and of her job as governess to the Incorrigibles—hangs in the balance.

**Incorrigible Children of Ashton Place 3-Book Collection** Oct 02 2022 The incorrigible children of Ashton Place are especially naughty, but they can't help it: They were raised by wolves. Now that they've been adopted by an English lord and lady, adjusting to a genteel life won't be easy, even with a mysterious young governess to teach them about everything from French to forks. Perfect for fans of Lemony Snicket, The Incorrigible Children of Ashton Place books have been named a Kirkus Best Book for Children, placed on the Kids' Indie Next List, and chosen as Chicago Public Library Best of the Best. Together for the first time, this collection includes: The Incorrigible Children of Ashton Place: Book I: The Mysterious Howling The Incorrigible Children of Ashton Place: Book II: The Hidden Gallery The Incorrigible Children of Ashton Place: Book III: The Unseen Guest

*The Incorrigible Children of Ashton Place: Book V* Apr 27 2022 For fans of Lemony Snicket's Series of Unfortunate Events and Trenton Lee Stewart's Mysterious Benedict Society, here comes the fifth book in the Incorrigible Children of Ashton Place, the acclaimed and hilarious Victorian mystery series by Maryrose Wood. Lord Fredrick Ashton may not feel ready to be a father, but with a little Ashton on the way, he's sure about one thing: the wolfish curse on his family must end soon, before the child is born. Penelope willingly takes on the challenge; when Lady Constance's doctor prescribes a seaside holiday, Penelope jumps at the chance to take the three Incorrigible children to Brighton, where she hopes to persuade the old sailor Pudge to reveal what he knows about the Ashton curse. But the Ashtons are not the only ones at the beach in January. The passionately temperamental Babushkinov family is also taking the winter waters. The Incorrigible children may have been raised by wolves, but the Babushkinov children are the wildest creatures they've ever seen. Is it more than mere coincidence that these untamed children have turned up in Brighton just as Penelope and the Incorrigibles arrive?
