**Dog Squad** Nov 03 2022 Introducing DOG SQUAD, the crime-fighting, tail-wagging, hilarious new series from the #1 New York Times bestselling author of Escape from Mr. Lemoncello's Library and coauthor of Max Einstein! When trouble calls . . . it's DOG SQUAD to the rescue! Duke is not your average dog. Along with his crew, he fights crime and goes on claw-biting adventures helping dogs in peril in the hit streaming sensation--DOG SQUAD! Fred is a pretty average dog. He's scrappy. He's loveable. But he's not brave like his heroes on Dog Squad. Fred looks an awful lot like Duke from Dog Squad though. In fact, when Duke needs a stand-in, Fred's the perfect choice. But the Dog Squad action doesn't always stop on screen! When there's danger in real life, can Fred find the courage to step up and save the day?! It's all paws on deck in this action-packed, middle grade adventure series just right for anyone who loves dogs--and anyone who loves to laugh! "Doggone fun."—Kirkus Reviews

**Through the Valley of the Deep Darkness** Sep 08 2020 Through the Valley of Deep Darkness was written at the suggestion of a grief counselor. She believed Reverend Arner's story of overcoming hatred, anger, and the desire for revenge and discovering rituals that lead to peace would be beneficial to others. The evil within Reverend Arner came to the fore when his one-year-old grandson died in a fire set by the child's father, and his daughter, the child's mother, suffered second- and third-degree burns over 70 percent of her body, requiring a six-week stay in the University of Virginia Trauma/Burn Unit; she was not expected to survive. Also part of this story of overcoming was the trial of the child's father on capital one murder. Arson and attempted murder charges. Reverend Arner shares the spiritual resources within a community of faithful relationships which enabled him and his wife to overcome, to come "through the valley of deepest darkness."

**The Army Lawyer** Apr 03 2020

**Relentless** Jul 07 2020 Relentless tells the story of the rise of Cork ladies football between 2005 and 2016. Having never won a senior title in the sport in 2004, by 2016 the team had won ten All-Ireland titles in eleven years. Mary White takes the reader behind the scenes and shows what made the Cork ladies footballers one of the most successful teams ever in the history of Irish sport. The book

was shortlisted for the 2015 Setanta Ireland Sports Book of the Year. This edition contains a new afterword from the author, bringing the story up to the present day. 'It would have been disastrous if the best team in Irish sport had passed into history without their story being told. Luckily for them and for us, Mary White was there taking notes right from the beginning and can give an outsider's view with an insider's knowledge. It's not often that happens. A great insight into a truly great team.' – Malachy Clerkin, *The Irish Times*

Is Superman Circumcised? Sep 01 2022 Superman is the original superhero, an American icon, and arguably the most famous character in the world--and he's Jewish! Introduced in June 1938, the Man of Steel was created by two Jewish teens, Jerry Siegel, the son of immigrants from Eastern Europe, and Joe Shuster, an immigrant. They based their hero's origin story on Moses, his strength on Samson, his mission on the golem, and his nebbish secret identity on themselves. They made him a refugee fleeing catastrophe on the eve of World War II and sent him to tear Nazi tanks apart nearly two years before the US joined the war. In the following decades, Superman's mostly Jewish writers, artists, and editors continued to borrow Jewish motifs for their stories, basing Krypton's past on Genesis and Exodus, its society on Jewish culture, the trial of Lex Luthor on Adolf Eichmann's, and a future holiday celebrating Superman on Passover. A fascinating journey through comic book lore, American history, and Jewish tradition, this book examines the entirety of Superman's career from 1938 to date, and is sure to give readers a newfound appreciation for the Mensch of Steel!

Witch Pie Nov 22 2021 It's finally Thanksgiving break at the Paranormal Institute for Witches. With a week off from school, the Witch Squad thinks they're finally going to get to enjoy some downtime. But as the girls start making plans for their big Thanksgiving dinner party, they discover that Alba has yet to contact Tony, her husband from back home. After finally convincing her to call him, what she discovers sends the girls into a state of shock. Will their Thanksgiving be as magical as they'd all hoped it to be? Or will the tragedy that has befallen one of their loved ones ruin Thanksgiving forever? Reunite with Mercy, Jax, Alba, Sweets, and Holly for this short Witch Squad Holiday special. This novella is Book #4 in the Witch Squad Cozy Mystery series.

Spartan Sports Encyclopedia Oct 02 2022 The all-time roster of Michigan State University athletics reads like a who's who. *Eliot Ness* Oct 10 2020 The story of Eliot Ness, the legendary lawman who led the Untouchables, took on Al Capone, and saved a city's soul As leader of an unprecedented crime-busting squad, twenty-eight-year-old Eliot Ness won fame for taking on notorious mobster Al Capone. But the Untouchables' daring raids were only the beginning of Ness's unlikely story. This new biography grapples with the charismatic lawman's complicated, largely forgotten legacy. Perry chronicles Ness's days in Chicago as well as his spectacular second act in Cleveland, where he achieved his greatest success: purging the profoundly corrupt city and forging new practices that changed police work across the country. He also faced one of his greatest challenges: a mysterious serial killer known as the Torso Murderer. Capturing the first complete portrait of the real Eliot Ness, Perry brings to life an unorthodox man who believed in the integrity of law and the power of American justice.

**The Best Team Over There** Oct 22 2021 Jim Leeke tells the little-known history of Grover Cleveland Alexander and fellow athletes in the 342nd Field Artillery Regiment during the Great War.

**After the Storm** Mar 03 2020 This is the incredible story of how the GAA and its people managed to weather the coronavirus pandemic and re-emerge to fight another day. On St Patrick's Day 2020, Taoiseach Leo Varadkar announced that Ireland was locking down. Our lives, purpose and favourite pastime as Irish people - meeting each other - stopped overnight. Throughout that dark time,

the GAA was at the centre of the country's fightback against covid-19. From the start, thousands of volunteers delivered food and medicine to vulnerable neighbours and friends during lockdown. Croke Park and other major stadia transformed into testing centres; the Association went online to keep people connected and became a beacon of hope. As the Association itself faced financial ruin, its members had their own life and death struggles to contend with. Niall Murphy, of Antrim GAA, was in a coma for sixteen days fighting the virus, and camogie player Marianne Walsh spent her cancer recovery amid strict lockdowns, only dreaming of one day playing for her club again. Hurler Domhnall Nugent battled intense isolation as he recovered from addiction issues. And when championships were shut down after celebrations threatened the association's reputation, uncertainty hung in the air. But through it all, GAA people rallied. Their stories, and the story of the GAA itself, now need to be told.

**Texas Monthly** Feb 23 2022 Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

Harley Quinn: A Rogue's Gallery - The Deluxe Cover Art Collection Jun 17 2021 Celebrate the anniversary of DC's favorite psychotic psychiatrist with a book dedicated to nothing but Harley covers! From her first print appearance to her own long-running series to Rebirth and more, this deluxe hardcover art book collects 25 years of the Maid of Mischief's most iconic comic book covers all in one volume. As the headliner of her own long-running series and a regular star of both SUICIDE SQUAD and DC COMICS: BOMBSHELLS, Harley Quinn is DC Comics' most in-demand cover girl. Beyond regular monthly appearances on her own series covers and variants, she's also been front and center on too many miniseries and one-shot specials to count and has twice taken over the other books in the DC Universe with special variant cover-month events. From these hundreds of unforgettable cover scenes, this volume brings you a curated collection of Harley Quinn's best, most memorable cover art, drawn by dozens of the industry's top talents!

**Contemporary North American Film Directors** Aug 20 2021 "Encompassing the careers of up to 600 directors - over 60 new to this edition - working in the US and Canada today, this volume is an invaluable reference for students, researchers and enthusiasts of film and popular culture. Each entry provides biographical information as well as insightful textual and thematic analysis of the director's work. In comprehensively covering a wide range of film-makers - from more established mainstream luminaries such as Steven Spielberg, Martin Scorsese, Ridley Scott and Kathryn Bigelow, through independent mavericks like Hal Hartley, Atom Egoyan, Jim Jarmusch and the Coen brothers, to innovative emerging talents including Marc Forster (Monster's Ball), Todd Field (In the Bedroom) and David Gordon Green (George Washington) - the shifting landscape of contemporary film-making is brought into sharp focus." Sur la 4e de couv.

Explore beloved television specials such as A Charlie Brown Christmas, theatrical shorts such as Santa's Workshop, holiday episodes from animated television series like American Dad! and The Simpsons, feature films like The Nutcracker Prince and obscure productions such as The Insects' Christmas, along with numerous adaptations and parodies of such classics as A Christmas Carol and Twas the Night before Christmas.

**Annual Report of Small Arms Target Practice** Jun 25 2019

MLK: An American Legacy Jan 01 2020 Three meticulously researched works—including Pulitzer Prize winner Bearing the Cross—spanning the life of civil rights icon Martin Luther King Jr. This collection from professor and historian David J. Garrow provides a multidimensional and fascinating portrait of Martin Luther King Jr., and his mission to upend deeply entrenched prejudices in society, and enact legal change that would achieve equality for African Americans one hundred years after their emancipation from slavery. Bearing the Cross traces King's evolution from the young pastor who spearheaded the 1955–56 bus boycott in Montgomery to the inspirational leader of America's civil rights movement, focusing on King's crucial role at the Southern Christian Leadership Conference. Garrow captures King's charisma, his moral obligation to lead a nonviolent crusade against racism and inequality—and the toll this calling took on his life. Garrow delves deeper into one of the civil rights movement's most decisive moments in Protest at Selma. These demonstrations led to the landmark Voting Rights Act of 1965 that, along with the Civil Rights Act of 1964, remains a key aspect of King's legacy. Garrow analyzes King's political strategy and understanding of how media coverage—especially reports of white violence against peaceful African American protestors—elicited sympathy for the cause. King's fierce determination to overturn the status quo of racial relations antagonized FBI director J. Edgar Hoover. The FBI and Martin Luther King, Jr. follows Hoover's personal obsession to destroy the civil rights leader. In an unprecedented abuse of governmental power, Hoover led one of the most invasive surveillance operations in American history, desperately trying to mar King's image. As a collection, these utterly engrossing books are a key to understanding King's inner life, his public persona, and his legacy, and are a testament to his impact in forcing America to confront intolerance and bigotry at a critical time in the nation's history.

Dark Age Sep 20 2021 SUNDAY TIMES BESTSELLER \*\*\*The explosive fifth novel in the Red Rising Series\*\*\* The Number One New York Times bestselling author of Morning Star returns to the Red Rising universe with the thrilling sequel to Iron Gold. He broke the chains Then broke the world.... A decade ago Darrow led a revolution, and laid the foundations for a new world. Now he's an

outlaw. Cast out of the very Republic he founded, with half his fleet destroyed, he wages a rogue war on Mercury. Outnumbered, outgunned but not out thought. Is he still the hero who broke the chains? Or will he become the agent of the world's destruction? Is it time for another legend to take his place? Lysander au Lune, the displaced heir to the old empire, has returned to the Core. First he must survive Gold backstabbing, then Darrow. Will he bring peace to mankind at the edge of his sword? And on Luna, Mustang, the embattled sovereign of the Republic, must save both democracy and her exiled husband millions of kilometres away. The only thing certain in the Solar System is treachery. And that the Rising is entering a new Dark Age. PRAISE FOR THE RED RISING SERIES: 'Pierce Brown's empire-crushing debut is a sprawling vision . . . Ender, Katniss, and now Darrow' - Scott Sigler, New York Times bestselling author of Pandemic '[A] top-notch debut novel . . . Red Rising ascends above a crowded dystopian field' - USA Today '[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes The Hunger Games, Lord of the Flies, and Ender's Game. . . . [Red Rising] has everything it needs to become meteoric' - Entertainment Weekly

**Nothing Personal, Just Business** Mar 15 2021 Throughout the United States and indeed the world, organizations have become places of darkness, where emotional savagery and brutality are now commonplace and where psychological forms of violence--intimidation, degradation, dehumanization--are the norm. Stein succeeds in countering official pronouncements that "all is well" simply because unemployment is low and productivity high. Through the use of symbol and metaphor he gives us access to the interior experience of organizational life today. He employs a form of disciplined subjectivity, based on Freud's concept of counter-transference, and other methods to help us comprehend what such dominating notions as "managed social change" really mean.

Manual of the Malaria Eradication Operation Nov 30 2019

**W. J. MacKay and the NSW Police, 1910-1948** Dec 12 2020 This book tells the fascinating story of William John MacKay, a man who dominated policing in New South Wales for three decades, until his death in 1948. MacKay was fearless, brilliant and ruthless. He was responsible for beating-up striking unionists, but he also smashed the semi-fascist New Guard when it was a threat to democracy. He reformed and modernized the New South Wales Police Force, and he framed innocent men for capital crimes. He cracked down on organized crime and corruption, and he was himself corrupt. Dogged by scandal, he was the subject of no fewer than seven royal commissions. The story of W.J. MacKay is also the story of policing in Australia, from the 1920s through to the corruption-riddled period after the Second World War. This gripping history explores the messy complexities of police power and sheds new light on a fascinating period in Australian police history Richard Evans is Honorary Fellow in the School of Humanities and Social Sciences at Deakin University, Australia. His previous books include Do Police Need Guns? (with Clare Farmer, 2020), Disasters That Changed Australia (2009) and The Pyjama Girl Mystery (2004).

C Street Jan 25 2022 C Street - where piety, politics, and corruption meet Jeff Sharlet is the only journalist to have reported from inside the C Street House, the Fellowship residence known simply by its Washington, DC address. The house has lately been the scene of notorious political scandal, but more crucially it is home to efforts to transform the very fabric of American democracy. And now, after laying bare its tenants' past in The Family, Sharlet reports from deep within fundamentalism in today's world, revealing that the previous efforts of religious fundamentalists in America pale in comparison with their long-term ambitions. When Barack Obama entered the White House, headlines declared the age of culture wars over. In C Street, Sharlet shows why these conflicts endure and why they matter now - from the sensationalism of Washington sex scandals to fundamentalism's long shadow in Africa, where

Ugandan culture warriors determined to eradicate homosexuality have set genocide on simmer. We've reached a point where piety and corruption are not at odds but one and the same. Reporting with exclusive sources and explosive documents from C Street, the war on gays in Uganda, and the battle for the soul of America's armed forces - waged by a 15,000-strong movement of officers intent on "reclaiming territory for Christ in the military" Sharlet reveals not the last gasp of old-time religion but the new front lines of fundamentalism.

**All Hands** Jan 13 2021

*The Alcalde* May 29 2022 As the magazine of the Texas Exes, *The Alcalde* has united alumni and friends of The University of Texas at Austin for nearly 100 years. The *Alcalde* serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

**Managing Projects in the Real World** Aug 08 2020 *Managing Projects in the Real World* provides clear and actionable advice to project managers for recognizing, anticipating, and overcoming challenges associated with the human component of leading others. The mechanics of project management are rational and straightforward to learn. The art of project management is irrational and complex to learn. Project managers need to develop a repertoire of soft skills that are typically hard for them, since they rose through the ranks to that position by virtue of superior reasoning skills. But if a project manager cannot adjudicate the clash of personalities, finesse the friction between assigned and preferred roles, steer clear of hidden hazards, and diplomatically resolve overlapping assertions of competing authority—that project manager is in a world of trouble. From the human perils of project management, nobody is better qualified to rescue beleaguered project managers than Melanie McBride—veteran PM and author of the Intel blog, *The Accidental Profession*. She sheds light on those dark, dusty places that fall between the cracks of theory and best practice out in the real world where irate colleagues, unrealistic product launch dates, and virtual meetings reign supreme and run amok. In this book you'll find targeted discussions and specific techniques to empower you to meet the challenges that project managers face every day. The book is structured into project phases to help any project manager on any kind of project jump right to the tried and true solution for the challenge at hand.

*The Transmedia Franchise of Star Wars TV* Nov 10 2020 While previous work on the Star Wars universe charts the Campbellian mythic arcs, political representations, and fan reactions associated with the films, this volume takes a transmedial approach to the material, recognizing that Star Wars TV projects interact with and relate to other Star Wars texts. The chapters in this volume take as a basic premise that the televisual entrants into the Star Wars transmedia storyworld are both important texts in the history of popular culture and also key to understanding how the Star Wars franchise—and, thus, industry-wide transmedia storytelling

strategies—developed. The book expands previous work to consider television studies and sharp cultural criticism together in an effort to bring both long-running popular series, long-ignored texts, and even toy commercials to bear on the franchise's complex history. *Leila & Nugget Mystery* Mar 27 2022 Leila & Nugget Mysteries are cute, funny chapter books that get even reluctant readers to beg for one more chapter. In this outing, Leila Beal and her little dog, Nugget, must crack the case of the neighborhood turtlenapping. Leila and Nugget have big plans for their snow day—that is, until a neighborhood pet goes missing. Now, they've got to solve the mystery before the turtlenapper can strike again. Could it be Weirly Beardy, the construction worker? Perhaps it's the cranky, old neighbor lady. Or maybe, just maybe, this is an inside job. Who Stole Mr. T? will keep young readers guessing until the last page. Leila & Nugget Mysteries reward developing readers with nonstop laughs, twists, and—of course—cute pets.
